15. Multidisciplinary / interdisciplinary

Chaiduar College follows a holistic multidisciplinary curriculum designed by the parent university, i.e. Gauhati University. New Education policy, 2020 implemented from the session 2023-24 as per regulations and guidelines of Gauhati University. The NEP 2020 envisages broad-based, multidisciplinary, holistic Under Graduate education with flexible curricula, creative combinations of subjects, integration of vocational education and multiple entries and exit points with appropriate certification. The college follows the guidelines and syllabi of the parent university. The college mainly is focusing on the multi-disciplinary and interdisciplinary approaches with vocational, job-oriented and skill-based courses. The flexibility of such courses offered at an affordable fee structure and multidisciplinary nature of the courses will help the students in pursuing their academic goals in a more effective manner. It is hoped that the courses introduced and the new structure under NEP-2020 will bring tremendous changes in the teaching-learning process and improve the understanding the learner of other discipline and enrich their learning.

16. Academic bank of credits (ABC):

Academic Bank of Credit(ABC) is initiated by the affiliating university. Students register themselves and put in their data in the bank using the login Id and password provided by the university. This enables them the flexibility of exits as per their choice as much as to carry over their credits/ choices in further studies. The college appraises students to fulfill this necessity and supervises their access to ABC.

17. Skill development:

The college has undergraduate vocational courses such as Mass Media and Medical Laboratory Technician in the form of BVoc scheme and it is resonate with that of National Skill Development Corporation evident through its enrichment of curriculum, electives etc. Skill courses are opened under Skill Hub Institute. Skill courses are incorporated alongside core courses of each program of study. Certificate in Computer Application and Post Graduate Diploma in Computer Application are run by the college through the ICT Centre. Career Counselling programs are held. International Mother Language Day, International Women's Day, Science Day, Constitution Day, Gandhi Jayanti, Teachers' Day, Yoga Day, Saraswati Puja, Viswakarma

Puja etc. are celebrated to instill and propagate humanistic, ethical, Constitutional, and universal human values among the students and staff.	
18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)	
Teaching of Indian languages forms a core component of the undergraduate course. Assamese, Bodo and Nepali are among the languages taught under the Department of Languages. Degree courses are offered in Assamese, Bodo and Nepali. The students have to take courses on communication skills choosing from English or Assamese or Bodo etc. The Department of Languages holds regular departmental programs on literature, language and music among the students. During the Annual College Week, completions are held on recitations of poems, writing of poetry, stories and essays in these languages. All the departments have wall magazines and the students can contribute their writings in these languages to the magazines. Traditional music and Dance programs are also organized during the College Week and in various departmental and college level events. A Cultural Museum is maintained by the Department of Languages which showcase the arts and artefacts as well as glimpses of cultures of Assam and the Northeast.	
19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):	
Continuous evaluation is made to transform the curriculum towards Outcome based Education (OBE) in the CBCS and NEP courses implemented by the parent university. Sessional examinations as well as regular class tests are conducted and assignments are given to get an idea about the student's understanding and grasp of the subject. Program Outcomes, Course Outcomes and Program Specific Outcomes are clearly outlined and posted in the college website for all stakeholders to pursue.	
20.Distance education/online education:	
Online education through lectures on platforms such as Google Meet and Zoom are conducted. A number of YouTube lectures by faculties have been developed to encourage learning in blended mode. The college has study centers of IGNOU and Krishna Kanta Handiqui State Open University where desiring students can take up undergraduate and graduate courses through the distant mode.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

As an affiliated college of Gauhati University, the college do not have much freedom in designing of the curricula and courses, and it follows the curricula designed and approved by the parent university. However, the college maintains and assures planned curriculum delivery and documentation through a number of ways and initiatives. A central time table for different streams is designed each semester by a committee and the classes are conducted strictly according to the routine. While preparing the routine, the committee takes into account the need for extra tutorials and practical classes. The time table is also posted in the college notice board for all the students to see. Progress Reports are acquired from each department and the authority monitors the progress of the courses. The departments and the faculty members ensure effective and timely delivery of the curriculum. The departments hold regular departmental meetings to discuss classes, course delivery, academic problems faced by the students etc. The teachers use ICT facilities in their classes. Students present seminars from time to time. Field trips, industrial visits, internships are conducted to supplement their learning and skills.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The details of Internal Examination are communicated to the students at the beginning of the session through the academic calendar. The students are encouraged to approach the members of the faculty with regards to their doubts, confusion etc., regarding the course material, pattern of exam and evaluation. Internal test and assignments are conducted with immediate feedback of the results with the students. The students are given the evaluated answer script and their grievances, if any, are heard and promptly taken care of. For low achievers, remedial coaching and tutorials are arranged for well before the student appears in the final/end semester examination conducted by the University. The college maintains and monitors the attendance record of each student centrally as well as in their respective departments. The progress made or lack of attendance is communicated to the students and their parents through Parent- Teacher Meetings and during the mentoring process. In keeping with the nature in which young learners acquire knowledge and skills, the Departments assess the student's attainment levels through various means like: Open Book examinations, Online Multiple-Choice-Questions, Presentations using different tools and techniques, etc. Most importantly, the Faculty offers the students ample opportunities to improve their performance.
