

Memorandum of Understanding
Between
Chaiduar College and Gohpur Bodo High School
On
Academic support and Mentoring

We, the undersigned, representing Chaiduar College, Gohpur hereby enter into this Memorandum of Understanding (MOU) to collaborate on providing academic support and mentoring in various fields of Arts, Science, Commerce and B.voc.

The objective of this MOU is to identify talented students from Gohpur Bodo High School who aspire to pursue higher education in the aforementioned fields and provide them with the necessary support and resources to enhance their learning experience.

Selection Process:

The school will select the meritorious students in consultation with the co-ordinators of this Memorandum of Understanding (MOU), specially from class-ix and x.

Facilities and Support:

The institutions will collaborate to organize seminars, workshops, and guest lectures to broaden the student's understanding of various disciplines as per the requirements.

Mentorship Program:

- a. The CDC will designate qualified mentors to guide and support the selected students throughout their academic journey.
- b. The mentors will provide career guidance, subject-specific assistance, and regular monitoring of the student's progress.

Duration and Review:

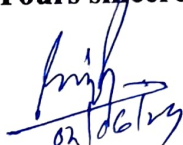

- a. This MOU will be valid for an initial term of two years, starting from the date of signing.
- b. At the end of the initial term, CDC will review the effectiveness of the collaboration and decide whether to renew the MOU for another term.

This MOU represents the intent of Chaiduar College to discharge its institutional social responsibility to nurture and support the students with a passion for success. We believe that this collaboration will contribute significantly to the development of young minds and the overall progress of the selected students.

We look forward to a fruitful partnership and the collective success of our students.
